

EFFECTIVE & INFORMED CITIZENSHIP

- 1.** Demonstrate knowledge of the U.S. democratic process and its history.
- 2.** Demonstrate through a project the investigation of two current issues.
- 3.** Analyze at least two significant world news events or issues.
- 4.** Participate in discussions of current events and social issues.
- 5.** Show evidence of active involvement concerning an issue that affects the school, community, local politics, or national/world politics. It is possible to combine this with Community Involvement validation.
- 6.** Demonstrate an understanding of governmental processes (for example, the branches of government, legislation, government structures, different forms of government, and the judicial system, etc.).
- 7.** Demonstrate an understanding of economic issues.
