To learn more about the teacher professional partnership idea, check out the following resources. The Education/Evolving (E/E) Web site also contains numerous sources on “Teacher Professional Partnerships”: www.educationevolving.org. Click on ”New organizational arrangements...” and then on “Teacher professional partnerships...” Also check out the new site dedicated exclusively to TPPs in fall 2006—accessible through E/E’s main site.

**Descriptions of the innovation: teachers professional partnerships**

Achievements of the innovation: new learning models; new ways to think about ‘teaching’

The first teacher professional practice model: EdVisions Cooperative

Bill & Melinda Gates Foundation grant to replicate the EdVisions Cooperative model

The Milwaukee cooperative model
